Welcome to Baja California Sur

On behalf of the Secretary of Tourism for the State of Baja California Sur, it is my pleasure to welcome all national and foreign visitors who will be participating in the International Governors Cup Tournament.

Sport fishing is one of the most important tourist activities in Baja California Sur. This is owed primarily to the fact that Baja California Sur has the most extensive coastlines in our country, excellent climate, natural beauty and many professional and specialized businesses and services.

The destinations in Baja California Sur have become recognized as some of the best places in the world for sport fishing. Cabo San Lucas, Striped Marlin capital of the world where the Mar de Cortes meets the Pacific Ocean, is the location for various prestigious International Tournaments. Nearby La Paz, another paradise and capital of the state of Baja California Sur is visited by tourists from all over the world – they come to enjoy it's spectacular beaches and fish for big billfish in the Bay of La Paz. The town of Loreto offers a rich variety of species found in the plentiful waters of the Mar de Cortes.

In order to assure our visitors a more pleasant stay, Los Cabos, La Paz and Loreto offer a modern tourist infrastructure: Fine tourist hotels, spectacular golf courses, first class tennis courts, exclusive spas, nightclubs, family recreational centers, an extensive variety of restaurants, shopping centers and tourist services recognized on an international level.

Once again welcome to Baja California Sur. We wish all those participating in the International Governors Cup Tournament a pleasant and enjoyable stay.

Cordially,

Lic. Alberto Trevino Angulo
Secretary of Tourism for the State of Baja California Sur
